

The 2011 Skipping Stones Honor Awards!

Each year we recognize outstanding books and teaching resources with the **Annual Skipping Stones Honor Awards**. The honored books promote an understanding of the world's many cultures, cultivate cooperation and encourage a deeper understanding of the world's incredible diversity, ecological richness, respect for differing viewpoints and relationships in and between human societies. These books and resources offer a variety of learning experiences for all ages.

Thanks to our team of readers and reviewers, from diverse backgrounds and life experiences, who have helped us select these 27 books and three DVDs. Visit www.SkippingStones.org for the reviews of these recommendations. —editors.
